Oberende

Bezrzecze is a village west of Szczecin, close to the city boundary. It is a growing village with new development, popular among Szczecin residents looking for a home away from the centre. It offers a peaceful setting and easy access to recreational areas.

Note

- The first photo in our gallery has been lightly edited to illustrate how the property could look – for example with a different wall colour. The following images show the actual condition of the property.
- The price shown in euros corresponds to the price in złoty, but due to exchange rate fluctuations it is always an approximate value. Our listings always also state the price in złoty, as requested by the seller.

Notes on Polish real estate practices:

- Limited location information: in Poland it is common practice for property listings not to disclose the exact address of the property.
- Floor plans: detailed floor plans are not always provided in listings.

As a real estate agency, we offer comprehensive support to our clients. We represent you as the buyer.

We work with vetted partners (property valuation, tax and legal advice, sworn translations, renovation of properties in need of refurbishment).

For investment properties, we can also take care of property management.

Personal support – transparent, competent, and in English.
