Rügenwalde

Darłowo combines historic charm with direct access to the sea: a well-kept town centre and a wide, fine-sand beach make this town a true gem on the Baltic. A lively dining scene and a modern marina provide attractive leisure options. Here it's well worth investing in holiday apartments or elegant beachfront villas – excellent return prospects included.

Note

- The first photo in our gallery has been lightly edited to illustrate how the property could look – for example with a different wall colour. The following images show the actual condition of the property.
- The price shown in euros corresponds to the price in złoty, but due to exchange rate fluctuations it is always an approximate value. Our listings always also state the price in złoty, as requested by the seller.

Notes on Polish real estate practices:

- Limited location information: in Poland it is common practice for property listings not to disclose the exact address of the property.
- Floor plans: detailed floor plans are not always provided in listings.

As a real estate agency, we offer comprehensive support to our clients. We represent you as the buyer.

We work with vetted partners (property valuation, tax and legal advice, sworn translations, renovation of properties in need of refurbishment).

For investment properties, we can also take care of property management.

Personal support – transparent, competent, and in English.
