Revahl

Rewal is a well-known seaside resort on the Pomeranian Baltic. It has a wide sandy beach and a seaside promenade with many recreational facilities. Its symbol is a 180-metre pier on the beach. Rewal offers various recreational options such as mini-golf and beach volleyball. The water is shallow and excellent for children. The climate is moderately maritime with a gentle breeze from the sea.

Note

- The first photo in our gallery has been lightly edited to illustrate how the property could look – for example with a different wall colour. The following images show the actual condition of the property.
- The price shown in euros corresponds to the price in złoty, but due to exchange rate fluctuations it is always an approximate value. Our listings always also state the price in złoty, as requested by the seller.

Notes on Polish real estate practices:

- Limited location information: in Poland it is common practice for property listings not to disclose the exact address of the property.
- Floor plans: detailed floor plans are not always provided in listings.

As a real estate agency, we offer comprehensive support to our clients. We represent you as the buyer.

We work with vetted partners (property valuation, tax and legal advice, sworn translations, renovation of properties in need of refurbishment).

For investment properties, we can also take care of property management.

Personal support – transparent, competent, and in English.
