Year built 2004 6 Rooms ~209 m²

Description

Spacious Detached House with Garden in a Peaceful Green Area

We are pleased to present an elegant and functional detached house set on a beautifully maintained 1,288 m² plot in a quiet, green neighborhood. Built in 2004 from durable brick, the property offers solid construction, excellent thermal insulation, and a timeless interior style with warm wooden accents. The house is ready to move into, with no additional investment needed.

The bright and airy interior offers **6 spacious rooms**, including a large living room that serves as the heart of the home. A stylish fireplace adds a cozy atmosphere and can also provide extra warmth on colder days. The separate kitchen is fully practical and

features custom-made cabinetry and full household appliances, making everyday life comfortable and convenient.

There are **2 elegant bathrooms**, finished with tasteful tiles. One includes a bathtub, while the other is fitted with a modern shower cabin, ensuring comfort for both residents and guests.

A major advantage of the property is the **integrated two-car garage**, which offers convenient parking as well as additional storage space for tools or garden equipment. The garage has direct access to the house, allowing you to move comfortably between the car and the interior, even on rainy or winter days.

The home is heated by a modern gas heating system, providing economical and maintenance-friendly comfort. All installations are in good working order, and the overall technical condition of the property is very good. Regularly maintained and well cared for, this house is ready for its next owners.

Plot and Surroundings

The house sits on a large, beautifully landscaped plot with a fully arranged garden. You will find a green lawn, decorative shrubs, trees, and flowers that create a charming and inviting setting. The garden also offers space for outdoor relaxation, family gatherings, and summer barbecues. The entire property is fenced, ensuring privacy and a sense of security.

The location is peaceful and surrounded by greenery, with mainly single-family homes and natural areas nearby. It is an ideal setting for those who value calm, privacy, and daily contact with nature. At the same time, the property offers convenient access to local infrastructure such as shops, schools, and public transport.

Note

- The first photo in our gallery has been lightly edited to illustrate how the property could look – for example with a different wall colour. The following images show the actual condition of the property.
- The price shown in euros corresponds to the price in złoty, but due to exchange rate fluctuations it is always an approximate value. Our listings always also state the price in złoty, as requested by the seller.

Notes on Polish real estate practices:

- Limited location information: in Poland it is common practice for property listings not to disclose the exact address of the property.
- Floor plans: detailed floor plans are not always provided in listings.

As a real estate agency, we offer comprehensive support to our clients. We represent you as the buyer.

We work with vetted partners (property valuation, tax and legal advice, sworn translations, renovation of properties in need of refurbishment).

For investment properties, we can also take care of property management.
